

D'DIFFERENCE

“Although I am engaged in business, I am first and foremost a doctor. I still practice medicine because helping patients is the most gratifying thing I do. Also, I sometimes find that my most challenging cases provide impetus for new product creation. And everything I learn in medicine I put into the products D'DIFFERENCE creates.”

Ruth Oltjer, founder of D'DIFFERENCE

# D'DIFFERENCE

## OUR STORY

D'DIFFERENCE is a natural version of products originally created for use by doctors to solve acute clinical problems. True to our medical roots, D'DIFFERENCE products are formulated through evidence-based results from extensive testing, yet our Nordic heritage means we embrace the natural, living as part of nature, never separate.

Our credo: minimum ingredients make for maximum impact.

In this age of eco, it seems everyone with a kitchen is creating skincare products. But we take pride in the fact that ours are backed by science, meet ISO 9001 production standards, and leave the skin healthy both inside and out.

## OUR PRODUCTS

The choices we've made in product formulation mean that your skin absorbs D'DIFFERENCE products quickly, never making it sticky, allowing makeup to be immediately applied, leaving your skin silky smooth.

Our raw ingredients are sourced from certified producers in Europe, Canada, and Japan, and all our products are formulated in our own laboratory and produced in our own factory. We never skimp on ingredients and use the maximum amount that the manufacturer suggests. Everything used is an active ingredient, with nothing present merely to fill the bottle.

"It is particularly difficult to get glowing skin in Nordic conditions. The climate constantly changes, and our skin changes accordingly. "Smart molecules" are the solution here, enabling the delivery of ingredients to the level of the skin each ingredient was designed to treat. If we can make our skin's protective barrier function well, then we look great at any age."

Ruth Oltjer, founder of D'DIFFERENCE

## OUR STRENGTHS

- No miracle claims or overpromise: D'DIFFERENCE does exactly what we promise.
- We use only active ingredients -- nothing is present merely to fill the bottle.
- The active ingredients we use are 100 percent natural and proudly meet the standards of ECOCERT, NATRUE, and COSMOS.
- D'DIFFERENCE is science-driven: it's developed by a team of chemists and MDs, dermatologically tested, and produced at ISO9001 standards.
- We never use parabens, SLS, silicones, mineral oils, PEGs, or synthetic colors — minimum ingredients make for maximum impact.

- Cold mixing in production means all natural vitamins and antioxidants are preserved.
- D'DIFFERENCE products employ “smart molecules,” which is to say we use molecules of varying size and weight. This ensures penetration to the right level of skin and visible long-term results.
- The Nordic love of nature is an integral part of D'DIFFERENCE's philosophy.
- Our products are formulated to restore the balance of skin under the most difficult climatic conditions.
- Our packaging looks as good on your shelf as the products feel on your skin.

This is Beauty 2.0 – radiant skin regardless of type and condition.  
Your skin will feel as good as it looks.

Be inspired. Be beautiful.  
Naturally beautiful.

NATURAL BEAUTY

It has been said, with a touch of humour, that the line is suitable for everybody – from babies to grandmothers. Frankly, it is true. D'DIFFERENCE Natural Beauty line is suitable for all skin types and all ages. Our cleanser, toner, creams and body products are formulated with patented HYDRESIA® emulsion, vegan silk polypeptides, a cocktail of natural oils and Dead Sea minerals. These powerful ingredients are in the core of our formulations and give our products a 4D effect – they moisturize, nourish, activate cell metabolism and protect skin from environmental damage.

#### 4D MILD CLEANSING GEL FOR FACE & EYES • 120 ml

Mild Cleansing Gel removes traces of make-up and impurities while preserving skin's natural protective barrier. It spreads easily, turning into a creamy foam. Active moisturizers allow skin to re-hydrate itself quickly and retain moisture. Soothing niacinamide, *Aloe vera* and water-soluble olive oil leave your skin soft and smooth. Extra mild cleansing agents are effective yet gentle, making this gel suitable for all skin types.

Apply to damp skin in light circular motions. Also removes mascara and eye make-up. We do not recommend the gel for those with artificial eyelashes. Rinse with water and pat dry.

#### 4D DELICATE SMOOTHING EXFOLIATOR • 75 ml

Luxurious facial exfoliator enriched with both, clarifying acids and skin polishing beads, reveals smooth and soft skin. Lactic acid together with organic acid obtained from the beige petals of the hibiscus flower; decrease the signs of ageing, dark spots and sebum production. Active moisturizers improve skin's structure, brightness and barrier function. The water-soluble oils from avocado and babassu have been added for extra softness. We have used small beads from castor oil for thorough, yet gentle exfoliation to ensure suitability for all skin types, including sensitive skin. Enjoy the delicate scent that adds to the sensory pleasures.

If you like beadless exfoliators, massage a thick layer on damp skin and leave "to work" for 3-7 minutes, depending on your skin type. If you are fond of mechanical exfoliation, make light massaging movements on damp skin and leave "to work" for 3-5 minutes. Use 1-2 times per week for dry, mature and sensitive skin and 2-3 times per week for normal, combination and oily skin. After the recommended time, wash thoroughly by adding more water and massaging gently till the skin is clean. Avoid contact with eyes. Pat dry and follow with a moisturizer.

#### 4D ANTI-REDNESS NIGHT CREAM • 50 ml

This multitasking vegan night cream offers relief from dryness and skin sensitivity. Its unique combination of natural active ingredients visibly unifies skin tone, makes it stronger and more resilient. After successful research and thorough experiments, we have come up with a new formula based on *Aloe vera* and mango butter, combined with squalane and hyaluronic acid. This powerful cocktail gives the cream a melt-in texture that provides hydration, nourishment and softness. A high concentration of Neutrazen™, horse chestnut and niacinamide provide immediate and long term relief against redness. They help to prevent and soothe inflammation in the irritated skin. As the hallmarks of a sensitive face are blemishes, dryness, and ununified complexion, this cream offers the long sought after recovery. It is colourant and fragrance free, suitable for all skin types, including rosacea-prone and reactive skin.

Apply in the evening onto a well-cleansed skin and gently massage into skin. Can be used alone or on top of serums.

### 5D REJUVENATING MASK • 7 ml and 6 x 7 ml

An effective all-in-one treatment – clarifying, deep cleansing, pore refining, toning and moisturizing. The oxygen-rich foam penetrates into the skin, eliminates dirt and toxins and accelerates cell renewal. The mask prevents and fights the signs of ageing, stimulating collagen and elastin production. One dose of the mask „works“ inside the skin for up to 3 days, creating a fresh, toned and unified complexion. The mask is suitable for all skin types.

Apply the gel mask evenly onto the entire face, neck and décolleté avoiding the eye area. Do not rub the mask in, as it will quickly turn into a thick, bubbly foam. Leave on for 15-20 minutes or until the foam has disappeared. Gently remove using lukewarm water. Use it twice a week, or whenever your skin is in need of a true power boost. For more intense results you can use the mask once in every 3 days for a couple of weeks.

*Ingredients (INCI) • Aqua, Dipropylene Glycol, Methyl Perfluoroisobutyl Ether, Decyl Glucoside, Methyl Perfluorobutyl Ether, Sodium Bicarbonate, Mica, Titanium Dioxide, Bacillus/Rice Bran Extract/Soybean Extract Ferment Filtrate, Rosa Centifolia Flower Extract, Onsen-Sui (JTN), Perfluorohexane, Perfluorodecalin, Arbutin, Trehalose, Hydrolyzed Hyaluronic Acid, Jellyfish Collagen, Hydrolyzed Elastin, Astaxanthin, Glucose, Cyclodextrin, Pentafluoropropane, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Caprylic/Capric Triglyceride, Hydroxyethylcellulose, Hydrogenated Lecithin, Alcohol Denat., Butylene Glycol, PEG-60 Hydrogenated Castor Oil, Potassium Hydroxide, Phenoxyethanol*

### 5D GOLDEN BEAUTY MASK • 7 ml and 6x7 ml

An effective all-in-one treatment – anti-ageing, toning, energizing, pore refining and moisturizing. The oxygen-rich foam penetrates into the skin, eliminates dirt and toxins and accelerates cell renewal. The mask fights the signs of ageing, stimulating collagen and elastin production. One dose of the mask „works“ inside the skin for up to 3 days. After washing off the mask with lukewarm water, your skin will be subtly gilded with particles from mica powder, making it a “must-have” pre-party treatment!

Apply the gel mask evenly onto the entire face, neck and décolleté avoiding the eye area. Do not rub the mask in, as it will quickly turn into a thick, bubbly foam. Leave on for 15-20 minutes or until the foam has disappeared. Gently remove using lukewarm water. Use it twice a week, or whenever your skin is in need of a true power boost. D`DIFFERENCE

---

WHITE BEAUTY

The sun may be our energy source but it also speeds our skin's ageing process and causes the loss of our fresh, luminous complexions.

The D`DIFFERENCE White Beauty line is for those who want to restore the flawless skin they once had. Whitening plant extracts dissolve excess pigmentation and protect the skin from new spots. Combined with patented HYDRESIA® emulsion, natural oils, Dead Sea minerals and silk polypeptides, all White Beauty products offer a 5D effect — they unify and brighten the skin, moisturize, nourish, activate cell metabolism, and protect your skin from environmental damage. These luxurious, delicately perfumed, quickly absorbing emulsions are suitable for all skin types and can be used year round.

### 5D WHITENING FACE CREAM • 30 ml

Our luxurious and fast-absorbing face cream contains carefully chosen alpine plant extracts that help to fade the appearance of pigmentation spots, unifying and brightening the complexion. Effectively hydrating patented emulsion HYDRESIA®, a cocktail of nourishing natural oils and Dead Sea minerals provide balanced care for your skin. The cream contains a high concentration of niacinamide to enhance radiance, improve barrier function and provide antioxidant, anti-pollution and blue light protection. Niacinamide decreases the amount of pimples and the signs of ageing, it unifies the skin tone. The skin will look visibly restructured, fine lines will be smoothed away. Suitable for all skin types, including sensitive skin. Can be used all year round, also in summertime, provided that a sun protection cream is a part of your skincare routine.

Apply 1-2 drops of the product on cleansed face every morning and/or evening. Do not concentrate solely on pigmentation spots. Massage with gentle, circular movements. Can be used alone or on top of serums. When used in mornings, it makes a perfect base for flawless make-up.

### 6D ADVANCED PERFECTION NIGHT CREAM with encapsulated Copper Peptides and Vegan Silk • 30 ml

Our youth preserving night cream targets visible signs of ageing with encapsulated copper peptides, powerful anti-oxidants, barrier strengthening ingredients, and hyaluronic acid in 3 different molecular weights to give you soft, supple and well hydrated skin that glows. This instantly absorbing velvety formula gathers the most active naturals in its core, surrounded by soothing *Aloe vera* gel, nutrient rich mango butter and squalane. The formula visibly brightens dull skin, stimulates collagen and elastin production, and provides efficient anti-pollution and antioxidant care. Novel vegan silk polypeptides and hyaluronic acid crosspolymer form a moisture retaining breatheable layer on top of the skin to keep all the valuable hydration where it belongs. This results in revived-looking skin, almost from the first application. Lines, wrinkles and signs of sun damage appear reduced; skin feels stronger and is well moisturized. In short, the skin will look healthier with continued visible improvements when used daily.

Apply a small amount of the product on cleansed face and neck every evening and massage with gentle, circular movements. Can be used alone or on top of serums. Enjoy soft skin without any oily residue.
